

FELLOW

Aiden Precision Coffee Maker

Exceptional coffee, designed for everyday life.

Great coffee is all about precision—the right temperature, timing, and technique. For pour-over lovers, the process is part of the joy, but if you're after barista-quality results without the learning curve, Aiden has you covered. It combines the art of hand-brewing with the convenience of automation, so every cup is smooth, rich, and perfectly balanced—whether you're a purist or just starting your coffee journey.

Key Features

Barista-quality coffee, every time

Aiden delivers exceptional coffee with precision brewing. From water flow and temperature to bloom cycles, it takes care of every detail, so you get all the flavor of a pour-over without needing to know every step.

Expertise at your fingertips

With built-in presets for light, medium, and dark roasts, plus guidance on precise coffee measurements, Aiden makes sure every cup is easy to brew and impossible to mess up—whether you're just starting out or want a no-fuss experience.

Your coffee, your way

Customize every detail with brew profiles—temperature, bloom, and pulses. Save your recipes, share them, or download profiles from your favorite roasters to recreate their coffee exactly as intended.

Companion app + scheduling

Control your coffee from anywhere with Aiden's app. Schedule your brew in advance, and Aiden ensures your coffee is ready—not just starting—right on time. Explore expert presets, create custom recipes, and download profiles from your favorite roasters—all at your fingertips.

Thoughtful Additions

Instant Brew Mode

Select this mode to bypass guidance and brew with a single touch of a button.

Single serve + batch brew

Interchangeable brew baskets and a dual shower head ensure consistent quality from 1 to 10 cups.

Designed for ease

A removable water tank, a steam-blocking silicone seal, a mess-free filter basket, and a hidden cord wrap keep your kitchen tidy.

Filter compatibility

Brew baskets fit Melitta #2 cone filters and Melitta 8-12 cup basket filters.

Cold brew setting

Aiden's hidden talent? A bold, smooth cold brew preset that's rich with flavor.

Warranty

2-year standard warranty, plus an additional year (for 3 years total) with product registration

Max Capacity

1.5 L
