FEATURES & BENEFITS

ZLINE Marino Collection - The ZLINE Marino Collection brings a new face to professional cooking with a distinct contemporary design profile

Purposeful Detailing - Designed as both a visual anchor and a functional touchpoint, Marino’s signature handles utilize bullnose geometry to balance comfort and durability

DuoPro™ Cooktop Design - Transform your kitchen into a home chef’s dream with ZLINE DuoPro™, which delivers up to 170,000 BTUs of power, double the performance of most standard 48 in. gas cooktops

Brilliant LED Knobs - Precision-marked control knobs illuminate bright white and intensify as they turn, delivering clear visual feedback and an intuitive connection to cooking performance

Precision Dual Heat Zones - With a range as low as 800 BTUs on each inner burner to 20,000 to 25,000 BTUs on the outer burners, an exclusive dual-port design lets inner and outer rings operate separately for more efficient cooking than most leading competitors
