INTRODUCTION

The ZLINE 36 in. 5.2 cu. ft. Marino Gas Range with 6 Burner DuoPro™ Cooktop and Convection Gas Oven in Satin Stainless Steel (PMGRS-36) features a high-powered gas cooktop with 6 hand-crafted Italian dual-ring brass burners, a versatile gas convection oven, and an innovative DuoPro™ design where every burner brings the performance you need—wherever you need it. With intentional lines, sculpted hardware, and a distinctly modern presence, Marino embodies the artistry and engineering behind ZLINE’s attainable luxury mission.

FEATURES & BENEFITS

- Brilliant LED Knobs - Precision-marked control knobs illuminate bright white and intensify as they turn, delivering clear visual feedback and an intuitive connection to cooking performance
- Purposeful Detailing - Designed as both a visual anchor and a functional touchpoint, Marino’s signature handle utilizes bullnose geometry to balance comfort and durability
- DuoPro™ Cooktop Design - Transform your kitchen into a home chef’s dream with ZLINE DuoPro™, which delivers up to 130,000 BTUs of power, double the performance of most standard 36 in. gas cooktops

- Precision Dual Heat Zones - With a range as low as 800 BTUs on each inner burner to 20,000 to 25,000 BTUs on the outer burners, an exclusive dual-port design lets inner and outer rings operate separately for more efficient cooking than most leading competitors
- Vista Window Design - Featuring an uninterrupted glass surface and deep tint, an edge-to-edge window presents a clean architectural profile while offering a clear panoramic view inside
