¹ Optional downrod lengths packaged separately. Lengths in inches are rounded to the nearest whole number.

² Wet-rated fans installed in exposed outdoor locations must have fixed/permanent coverage above the fan wiring cover. The included fan stabilizer must be installed. Not suitable for salt air environments. Fan must be installed at least 50 miles (80.5 km) inland from coast.

³ Actual results of sound measurements in the field may vary due to sound reflective surfaces and environmental conditions.

⁴ Activate Fan Eco to fully leverage the energy savings from your ceiling fan. Use the Big Ass Fans mobile app to enable Fan Eco.

⁵ Voice control requires an Amazon Alexa-enabled device or the Google Assistant.

⁶ Requires Wi-Fi module to be installed in fan.

Lead times may vary.
See full warranty for coverage information.
